Classroom Happenings

Our field trip to the Museum of Science in Roanoke is on **Friday, March 29th**. Please return the field trip form and payment if you have not already done so. We will have room on the bus for all of our chaperones. We will be leaving Waddell promptly at 8:30am and plan to return to school around 2:30pm. This will be a fun field trip right before spring break!

In April and May, third grade students will participate in a bird nest-monitoring program with Boxerwood called Birds for Third. Mr. Peter Hamel, a park ranger, will introduce the program to students this week. He will discuss the birds found in our area and more specifically, the bird nesting boxes found around Waddell. Students will begin monitoring nesting boxes when we return from spring break. This is a very exciting and educational opportunity.

Contact Information

Please contact us at mlaubscher@lexedu.org, mcrowsey@lexedu.org or lsquire@lexedu.org or at 463-5353 if you have any questions or concerns.

Curriculum News

Math– Patterns

Students will review patterns and equivalent periods of time for a test on Thursday.

Reading – Book Groups

Students will participate in book group discussions and respond to questions by using evidence in the text to support answers.

Social Studies – Ancient Greece

Students will identify physical and human characteristics on Ancient Rome. Study guide is in today's Monday folder.
